

CAPABILITY STATEMENT

SDVOSB | Woman-Owned | Multi-State Certified | Outcomes-Focused

COMPANY OVERVIEW

Rutledge & Associates, LLC is an SBA-certified, service-disabled veteran-owned, woman-owned digital systems firm focused on AI-powered modernization for supplier-diversity ecosystems and public-sector programs. We replace aging, manual, and fragmented workflows with secure, production-ready systems and own clearly defined scopes instead of providing staff augmentation. We deliver outcomes, not bodies.

CORE CAPABILITIES

- Compliance & Audit Automation — structured workflows and audit-ready reporting
- Prototype & Pilot Solutions that de-risk full implementations
- Data Analytics & Dashboards for real-time KPI, provider, and risk visibility
- Cloud Architecture & Security for applications, identity, and data
- DevOps & CI/CD Pipelines from prototype through production
- Integrated Workflows with SAML SSO and SCIM

PROBLEMS WE SOLVE

- End-of-life platforms blocking agency operations
- Manual workflows consuming staff capacity
- Federal and state reporting deadlines at risk
- Disconnected program data across divisions
- Audit findings requiring corrective action
- Leadership lacking real-time program visibility

PAST PERFORMANCE

SDBE InSights Platform

Centurion — Subcontract #Q00B4600150

Enterprise vendor management platform for diverse supplier compliance, including certification tracking, contract management, payment processing, and compliance reporting.

Compliance Reporting Platform

Centurion — Subcontract #Q00B4600122

Compliance reporting for correctional medical and mental health programs, including settlement-agreement compliance auditing and oversight reporting across facilities.

Professional Peer Review Platform

Centurion — Subcontract #Q00B4600150

Compliance workflow platform for OPPE/FPPE evaluation of physicians, clinicians, and nurses in correctional settings, including audit workflows and gap analysis.

WHY PARTNER WITH US

- Certified small-business partner across key state markets
- Defined scope ownership: no blended labor or ambiguity
- Outcomes-focused: systems & artifacts, not headcount
- Minimal oversight: clear handoffs and governance alignment
- Multi-state certified: MD, NY, FL, and federal

TRACK RECORD

- Reduced agency processing time from weeks to hours
- Achieved audit readiness ahead of compliance deadlines
- Enabled real-time program visibility for agency leadership
